Memo.

In August 1892, the Deputy Comr. of Mysore, requested Sanction for the entertainment of a clerk in the Treasury Assistant Comrs Office as one of the clerks of the Treasury Department had been deputed to do the Criminal work in the Treasury Assistant Comrs Court. Government, however, refused to Sanction the entertainment except on very strong grounds and ordered him if any such grounds existed, to explain them and make application for additional establishment in proposition Statements in the prescribed form.

No. 8415 / J. 468 Dt 15. 12. 92.

The Deputy Commissioner of Mysore did not take any further action in the matter; but the Dy Comrs of Kadur, to whom a copy of the above Govt Order had been sent by the Registrar of the Chief Court

Court, stated that the 2nd Munshi of the District Office had been transferred to the Police Department and requested sanction for the entertainment, in his place, of a Deputy Munshi whose services may be lent to the Treasury Officer who was in want of a Judicial Munshi.

No. 396 of 4th Feb: 93.

The Deputy Commr being asked upon to explain why a Judicial Munshi was employed on Police work, stated, in reply, that, under the Chief Commr's Proceedings No. 489 Police 15- of 24th Sept. 1880, the Judicial Dy Munshi of his Court as also the 3rd Munshi of the General Assist. Commr's Court were lent temporarily to the Police Department, as the work in the Deputy Commr's as also in the Asstt Commr's Office, was, then, not sufficiently heavy.

No. 1384 / J. 717 of 13th Feb: 93.

No. 5-19 of 6th April 1893.

The Chief Commr's Order quoted runs as follows:- "4 Munshis for each District. The 2nd and 3rd Munshis must be got by transfer of the District Judicial Dy Munshi and one of the Munshis of the General Assistants Office, the judicial work of the Deputy Commr's and the work in the General Assistants Office being inconsiderable."

It is not expressly stated whether the transfer was temporary or permanent. Most probably it was intended to be permanent.

The work of the two Courts having considerably increased of late ~~and~~ the Deputy Commr requested the Govt for orders for the withdrawal of the said two officials from the Police Department.

No 20385 of 31st May 1893.
J.J. 270.92

In reply, the Deputy Comrs attention was drawn to the Budget for 1892-93, where 2 Munshis were sanctioned for each District Magistrates Court and 3 Sheristadars, Munshis etc for the General Asst Comrs and ~~that~~ if any change in the fixed scale was called for, the Deputy Commr was requested to submit a report of the strength of the actual working establishment with a clear explanation of the grounds on which a change in the fixed scale was considered necessary.

No 146 of 25th Aug: 1893.

Writing in August, the Deputy Commissioner stated, that the Chief Commissioners Ro: referred to above, did not

appear

appear to have meant the
permanent transfer of the
2 Munshis to the Police Dept.
The transfer was made because
the work in the 2 Courts (Genl.
Asst Comrs & Treasury Asst Comrs)
was at that time "inconsi-
-derable" The Budget, sent after
the transfer, should, the Dy
Commr observed, have shewn
the two hands against the
respective Courts with a re-
-mark that they were ~~lent~~
lent to the Police Department
and instead of doing this,
the Scale of the Courts had
been inadvertently reduced
in the Budget which therefore
could not be taken as a
criterion to go upon. Now
that the work in the 2 Courts
was considerably increased
he requested sanction for
the entertainment of 2 hands
in lieu of the 2 officials
permanently given by
mistake to the Police Dept.

The

The Deputy Commissioner's letter requesting either the withdrawal of the Munshis from the Police Department or the entertainment of new hands, having been forwarded to the Inspector General of Police, the latter states in reply that the 2 Munshis were permanently transferred to the Police Dept. in 1880 by making a corresponding reduction in the Dist. Magistrate's and Assistant Commrs Courts and that there are only 4 Munshis, as sanctioned in the Revision Scheme, in the District Police Office of Kadur, the 2 transferred Munshis being among the number.

Kadir District Dy: Commissioner's Office,
Dated Chittagahir 25th August 1893.

From,

The Deputy Commissioner,
Kadir District.

To,

The Chief Secretary to the
Government of Impoor.

Sir,

With reference to Docket No. 20385 / J.F. 270-92 of the 31st May last, in re- the proposal of withdrawing the 2 officials of the Police Department lent from the District Magistrate's Court and the General Assistant Commissioner's Court under the authority of the late Chief Commissioner's Proceedings No. 489 Police 15, dated 24th September 1880, I have the honor to state that the Chief Commissioner's Proceedings (No. 489 / Police 15 dated 24th September 1880) referred to does not appear to have contemplated the permanent transfer of the 2 hands to the Police Department. As, under the then circumstances, the work in the 2 Courts

was inconsiderable at the time, the temporary transfer of the hands was proposed and was given effect to. The Budget sent in in pursuance to this ought to have shewn the 2 hands against the respective Courts with a remark that they are sent to the Police Department. Instead of this, the scale wisely of the Courts was inadvertently reduced in the Budget, which therefore cannot fairly be taken as a Criterion to go upon now. Now that the work in the 2 Courts has considerably increased, and as besides there is no hand for the Court of the Treasury Assistant Commissioner, it is requested that sanction may be kindly accorded to the entertainment of 2 hands in lieu of the 2 officials permanently given by mistake to the Police Department, when it would be feasible to lend a hand to the Treasury Assistant Commissioner's Court. This proposal, I beg to submit, is simply to restore the scale of the Judicial Departments

of the District Office and of the General Assistant Commissioner's Office as sanctioned by the then Chief Commissioner but inadvertently curtailed in preparing the Budget.

+Vide Nagar Division Commissioner's letter No. 264 dated 25th October 1879 and an Extract of its enclosure showing the scale sanctioned (copies enclosed).

The strength of the actual working Establishments in the District Magistrate's and General Assistant Commissioner's Courts and Police Department has been as stated in the Chief Secretary's letter under reply, though it ought to have differed according to the scale. The Treasury Assistant Commissioner's Court has none.

I hope that the Government will now view the proposal favorably and accord early sanction to it, as the Treasury Assistant Commissioner has unavoidably taken an official of the Treasury Department for Court work to the detriment of the work of that Department.
